Short Biography

I was born in 1972 Kitui County. I am a married woman with three children. I went to primary school at Kyatune Primary school, went to Mulango girls High school, then to University of Nairobi where I did my first degree and later my masters. Currently doing my PhD at JKUAT.

I have been doing part time teaching at the Daystar University and JKUAT since 2013. I have worked with the Ministry of Health for the last 18 years till August 2016 when I joined Embu University College as a lecturer.

Research Interests: I am doing research in oncology.

Publications in Journals

Presentation of Papers at Academic and Professional Conferences-

I made a presentation on impact of poverty on health at Kisumu during National Nurses Association of Kenya scientific conference.
